## FREQUENTLY ASKED QUESTIONS

### What kinds of vehicles can be donated?

We accept almost all vehicles in good, running condition, including cars, trucks, motorcycles, recreational vehicles, boats, farm equipment, and construction equipment.

### How do tax deductions work when donating my car?

Once your vehicle is sold, the selling price becomes the amount of your donation.

If your vehicle sells for more than \$500, you may deduct the full selling price. If your vehicle sells for \$500 or less, you can deduct the "fair market value" of your vehicle, up to \$500.
